

Partner/ Broker Opportunities

Connect North America has embarked on an expansion plan throughout North America.

We are actively recruiting Partners/Brokers to assist in the development on new markets.

Very attractive commission rates are available.

Currently services are provided to various industries for:

- Outbound telemarketing
- Inbound telemarketing and customer management services
- Blended inbound/outbound services
- Market research
- Political Research
- Data management
- Fulfillment

Historically we have worked extensively with the telecommunication, tourism and research industries; but our specialized services should accommodate numerous other organizations.
